Dear Sir:

I am in receipt of your letter of March 16th, asking for some passes for Boys 16 and under.

I would like very much to admit young boys on some occasions to the ball games, but I feel there should be some program planned. You know of course The Board of Education has established Knot Hole Gangs. I am sure something could be planned, but it would be risky to admit any one Group without some definite program, as all Groups would then be asking for the same consideration.

I will be glad to talk to you or your representative at any time to work out a plan.

Very truly yours,
